Federal law prohibits corporations from making political contributions; therefore, contributions must be made by individuals via personal credit card or personal/partnership check. With partnership checks, the Federal Election Commission requires that the names of all partners be listed. Contributions to INN-PAC are not tax-deductible as charitable donations for federal income tax purposes, and may not exceed \$5000 in a calendar year. Federal law requires political committees to use their best efforts to obtain and report the name, mailing address, occupation and employer for each individual whose contributions aggregate in excess of \$200 in an election cycle.
